WWII Was An E.T. Battle Fought Through Humans, According to Retired U. S. Navy Engineer

"These intel operatives said that Hitler and the S. S. made agreements with Reptilian extraterrestrials to give the S.S. secret information of extraterrestrial vehicles, their propulsion, their controls, their operation and everything needed to build those UFOs and put them into production."

Prologue

Vril: The Power of the Coming Race © 1871
by Edward Bulwer-Lytton.

Vril: The Power of the Coming Race was originally published anonymously in late 1871 by U. K. author and conservative politician Edward Bulwer-Lytton.

Edward Bulwer-Lytton was born on May 25, 1803, to General William Earle Bulwer in Norfolk, England, and died right before his 70th birthday on January 18, 1873. He was buried in Westminster Abbey. Six years before in 1867, the English Rosicrucian society was founded and claimed Bulwer-Lytton as their Grand Patron because of his books, including the 1842 book *Zanoni* about "the true origins and tenets of the singular sect known by the name of Rosicrucians" that Bulwer-Lytton said emerged from a mysterious manuscript he received in an encrypted cipher.

Bulwer-Lytton's decision to publish his *Vril* book anonymously, given his popular success with books, implied that he was writing about information he thought would shock the British and other humans, so he allowed the book to be described as a "science fiction novel." However, theosophists such as Helena Blavatsky and Rudolf Steiner related to the book as facts about the secret existence of an advanced Vril Society underground on Earth, which Adolph Hitler would embrace and collaborate with in his German leader efforts to control Earth, eliminate the Hebrews and dominate the world with blond, blue-eyed, superior Aryan Nordics.

The source of those Nordics is what Bulwer-Lytton's book is about. From his anonymous writing position, he describes a subterranean, post-flood world on Earth occupied by beings who are telepathic, fair-skinned blonds with blue eyes "like angels," who call themselves "Vril-ya." The combination of their telepathic minds with the powerful energy source called "Vril" gives the inner-Earth beings the power to remain youthful and heal or destroy

with their minds and advanced technologies, powers allegedly denied to surface Earth dwelling humans. About Vrilya, Lytton wrote: "I should call it electricity, except that it comprehends in its manifold branches other forces of nature, to which in our scientific nomenclature, differing names are assigned, such as magnetism, galvanism, etc. ..."

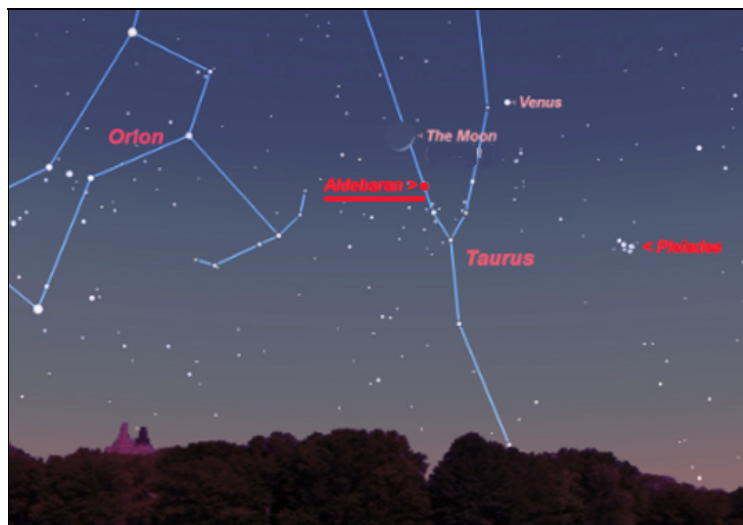

The retired 93-year-old Naval engineer interviewed in this Earthfiles report, says during World War II he learned that actual star wars are going on in the Milky Way galaxy between different intelligences, who battle with each other over territories and genetic creations by manipulating gravity, time and minds. In his account, Hitler and the Nazi S.S. of the second world war conspired with Vrilya types to take over the world and enslave certain human populations to do work for them.

Bulwer-Lytton warned in his originally anonymous book that the Vrilya would eventually run out of habitable caverns underground on Earth and would have to claim Earth surfaces, destroying humankind in the process, if necessary.

Allegedly, the Vrilya force could neutralize gravity and was the key to building Vrilya craft and large interstellar spacecraft that could go to alleged habitable planets orbiting other Milky Way galaxy stars. According to 1930s-1940s psychic mediums, the Vrilya originated from an old star they called Aldebaran where millions of years ago, an Aldebaran civilization had "Vrilya energy" for its advanced technologies that could both sustain or destroy life and enabled interstellar space travel.

Aldebaran, also known as the binary star system Alpha Tauri A and B, in the North America in night sky between Orion's belt stars and the Pleiades, 65 light-years from Earth. Each of the binary stars might have one or more planets. Source: Starrynight.com.

Aldebaran, or Alpha Tauri, is a binary star system about 65 light-years from Earth. There is an orange-red giant star that Earth astronomers report has about 50% more mass than our yellow Sun, but emits 425 times our Sun's luminosity because it is 44 times greater in diameter than our Sun. In 1997, astronomers announced the discovery of a giant planet orbiting that giant star.

Alpha Tauri B is a red sequence dwarf star with about 15% of our Sun's mass. There might be an Earth-like planet with liquid water orbiting around Star B.

According to the psychic mediums, because environmental conditions deteriorated on the inhabited planets of that old, red binary star system, there was an exodus to find new planets and the Vrilya ended up in large underground Earth caverns under Antarctica and other parts of this world. But their co-habitation of Earth has been kept a Big Secret from the evolving surface populations of various *Homo sapiens* — except for small, elite groups such as the Rosecrucians, Masons and Bilderbergers.

Interview

May 27, 2016 San Diego, California - I have known aerospace engineer Robert Wood, Ph.D., since the early 1990s after he retired from McDonnell Douglas Corp. That's when he, Stanton Friedman, I and others were sharing and analyzing leaked documents about the U. S. government's knowledge during and after World War II about the glowing Foo fighters that chased jets and the silver aerial discs that could move miles in seconds, make 90-degree turns and stop in mid-air motionless without sound.

Those were NOT human technologies and according to documents and whistleblowers, FDR knew it. Secretary of War George Marshall knew it. Winston Churchill knew it. Eisenhower knew it. And so did President Harry Truman. In 1947 after the several UFO crashes in Roswell and other New Mexico sites, President Truman appointed twelve military, science and business minds as MAJESTIC-12 advisors to study and report to his administration about the confusing alien presence. Confusing because no one could understand Who? or What? *exactly* was behind the global phenomena. What *really* was behind Hitler and the S. S.? Who? or what? *really* helped the Allies?

Six months ago in December 2015, an important whistleblower book edited by Dr. Wood and written in collaboration with retired Naval engineer William Mills Tompkins, was released. The title is: *Selected By Extraterrestrials: My life in the top secret world of UFOs, think-tanks and Nordic secretaries*. See More Information below.

Bill Tompkins was born in Southern California on May 30, 1923, with a rare photographic mind ability to look at most anything and then be able to reproduce it down to the finest detail in sketches or models. When he was 9 years old in 1932, his father took him to tour the anchored aircraft carriers, battleships, cruisers and destroyers in Long Beach. He could remember all the details in his photographic mind and began to make scale models for fun.

By age 17 in the early spring of 1941, Bill's father had organized an exhibit of his teenage son's ship models at a Hollywood department store. Bill's details were so accurate — and some even Top Secret — that Navy authorities interrogated both father and son and demanded the precise models be taken out of the store. But one U. S. Naval Intelligence Officer realized that young Bill Tompkins's photographic memory could help the Navy's technical challenges.

Evening Outlook, March 26, 1941. William Mills Tompkins, age 17, shows his detailed ship models to Navy Captain H. C. Gearing, Commandant of the 11th Naval District, in San Diego, California. At first the Navy was concerned about the accuracy of Top Secret details that teenage Bill Tompkins retained in his photographic memory and reproduced in his fifty-one different ship models. But naval authorities also understood that talent could be a great help in engineering challenges.

So in early 1942, Bill was inducted into the U. S. Navy, went to boot camp in San Diego and then was assigned to naval intelligence on advanced technology projects. He received his mission statement was, "To undertake upon his own initiative, or at the request of any bureau or office of the Naval Air Forces, studies of specific instrumentalities and techniques for the purpose of outlining research projects."

U. S. Navy Engineering Included Study of "Extraterrestrial Objects"

Bill Tompkins soon learned that he would be asked to reproduce complex *extraterrestrial* objects that various corporate Navy contractors had learned about through intelligence operatives that included Nazi S.S. manufacturing of anti-gravity spacecraft. Tompkins also learned that behind Hitler and the S. S. were two different species of reptilian humanoids — including "Dracos" from the Draco constellation about 12 light-years from Earth and known as a satellite of our own Milky Way galaxy.

Adolph Hitler and S.S. Manipulated by Humanoid Reptilians and Nordics

According to Tompkins, Navy intelligence learned that humanoid reptilians from the Draco constellation were manipulating Hitler to annihilate the Hebrews on Earth and populate the whole planet with blond, blue-eyed Nordics that were another type of extraterrestrial under the control of the Dracos. Bill Tompkins and his Naval superiors were very confused by the idea that hostile Reptiles and beautiful Blond humanoids were working together to take over planet Earth. Adding to their confusion were other beautiful Nordic humanoids that *helped* the allies defeat Hitler. That complex and insidious chess game haunted everyone.

Bill Tompkins will be 93-years-old on May 30, 2016. Before he decided to do a book about his extraordinary life, he called Admiral Hugh Webster, Navy League Corporate Director in Washington, D. C. and San Diego, California. Bill Tompkins says they talked frankly. The subject was “extraterrestrial threats to our planet Earth — and after Admiral Webster read portions of my draft manuscript and backup technical documentation, I asked him, ‘How much of this can I include in a published book?’ Admiral Webster said, ‘Bill, TELL IT ALL. This is most important to our country. Don’t leave anything out.’”

Everything included flying all over the United States in the 1940s to secret sites at Lockheed, Northrup, Douglas, other aerospace companies and top universities that were doing secret work for the United States Navy.

William Mills Tompkins, retired aerospace engineer and author, *Selected by Extraterrestrials: My life in the top secret world of UFOs, think-tanks and Nordic secretaries* © Dec. 2015; edited by Robert M. Wood, Ph.D.: “These (intel) operatives said that Hitler and the S. S. made agreements with Reptilian extraterrestrials to where the Reptilians were to give the S.S. secret information of extraterrestrial vehicles, their propulsion, their controls, their operation and everything needed to build those (UFOs) and put them into production.

This was to be used for the Aryan-German S.S. organizations to essentially remove all of the Jewish people on the planet and any organization that would be in opposition to the Germans taking over the planet (Earth) — every country on the planet — and they make these people into slaves supporting their programs, building hundreds and hundreds of German Naval battle groups, which would then be supported by kilometer-long spacecraft carriers and all types of spacecraft that would support Germany’s Naval battle groups out in space in conjunction with the Reptilian Naval battle groups supporting them. And they would do the same thing to other stars in our region.

SIR, IT WAS MY UNDERSTANDING THAT WHAT HITLER WAS OBSESSED BY WAS TO HAVE THE ARYAN BLONDS TAKE OVER AND DOMINATE THE WORLD AND EXTERMINATE THE HEBREWS. ARE THE REPTILIANS THAT HITLER WAS WORKING WITH TALL BLONDS WITH VERTICAL PUPILS IN THEIR EYES?

No, they were exactly the same as Nordic people here on the planet. What is strange and what is hard to accept is that while I was Engineering Section Chief at Douglas, I had a Nordic blond girl with blue eyes as my secretary for almost three years on the Apollo program.

WERE YOU GETTING THE DESIGNS TELEPATHICALLY FROM THE BLOND EXTRATERRESTRIAL SECRETARIES?

I got much of the information from them. Their purpose here was to make certain that we developed the Apollo program, which has a different mission than what was released.”

Bill Tompkins said that his blond, blue-eyed secretary for almost three years in his Apollo mission work “was almost identical to this photo,” included in his book and published often since World War II as Maria Orzic. In Vril histories on the internet, she is identified as a Vril telepathic medium, who received some transmissions in ancient Sumerian that were instructions about how to build a round, anti-gravity spacecraft. Is she a blond “Nordic” Vril-ya from one of Earth's alleged underground cavern civilizations? Is she a Nordic working with Reptilians? Or a beautiful blond *Homo sapiens sapiens*?

Since World War II history about the Vril and Thule Societies, this photograph has been identified as Maria Orzich, a Vril telepathic medium who received some transmissions in ancient Sumerian that were instructions about how to build a round, anti-gravity spacecraft.

Other Apollo Program Goals

The Apollo program was for the United States to go to the moon and build a 10,000-man Naval research facility on the moon. That was **Phase One**.

Phase Two was for the U. S. Navy Space Systems to develop Naval stations on all of the habitable planets in our solar system and/or their moons.

Phase Three was to go to the twelve closest stars — Alpha Centauri being the first — and build U. S. Naval space bases on all of the habitable planets in the twelve closest stars.

Alpha Centauri was found to be a twin star system with very, very high radiation (actually 3 stars, one very faint). So we were not going to build any facilities on Alpha Centauri.

Alpha Centauri A (upper left), Alpha Centauri B (far right) and Proxima Centauri (red circle around faint red dwarf) are three stars gravitationally bound to each other and are the closest star system to Earth: 4.37 light-years away.

THIS WAS IN COLLABORATION WITH BLONDS (collaborating with U. S. Navy)
VERSUS (unfriendly) REPTILIAN EXTRATERRESTRIALS?

Yes. So, what happened in Germany for this entire time, at least as I've been involved, you have to ask the question: Do we have many, many Nordic type extraterrestrial people — some of which are wearing White Hats and some of them are wearing ...”

Sudden Puzzling Phone Disconnect

Linda Moulton Howe: The phone was suddenly disconnected by an unexplained outside force as Bill Tompkins was about to say, “ ... black hats.” I called him back.

Linda: “I HAVE NO IDEA WHAT HAPPENED TO THE PHONE, BUT LET’S CONTINUE. YOU WERE TALKING ABOUT HOW BLONDS YOU AND THE U. S. NAVY WERE COLLABORATING WITH MUST BE WHITE HATS — AND THE BLONDS AND REPTILIANS THAT HITLER AND THE NAZIS WERE WORKING WITH MUST BE BLACK HATS? CAN YOU PLEASE PICK UP THERE?”

OK, some people had said there might be as many as 100 Nordic-type different extraterrestrials. I guess if you have that many, you’re bound to have some that are not good people.

What Hitler was doing — what is the REAL mission of Germans? What was REALLY going on about the whole extraterrestrial situation?

Germany, unlike the United States — Germany was given extraterrestrial vehicles. Germany was given 250-foot-diameter UFOs, not just small ones.

BY THE REPTILIANS, RIGHT?

Yes, by the Reptilians. Germany — they were given the controls. They were given the communications. They were given the method of propulsion: electromagnetic anti-gravitational. But the point here is that Hitler and the S. S. at the time were given all of these types of vehicles. They were given everything in them — even food processing in the vehicles to operate out in the (Milky Way) galaxy for years at a time.

Whereas we here in the United States, we have to start from scratch! We have to later on (in July 1947 and other times before and after) try to decipher crashed vehicles at Roswell.

THE REPTILIANS ARE GIVING HITLER AND GERMANY TECHNOLOGY THAT CAN TAKE THEM INTO SPACE. AND HITLER HIMSELF SAID THE WORLD WOULD BE POPULATED BY BLOND, BLUE-EYES AND THE HEBREWS WOULD BE EXTERMINATED.

AND YET, IN THE UNITED STATES ALL OF YOU ARE STRUGGLING TO UNDERSTAND WHAT IS HAPPENING IN GERMANY AND THE PEOPLE IN THE UNITED STATES HELPING YOU TELEPATHICALLY ARE BLOND, BLUE-EYED SECRETARIES.

WHAT IS THE RELATIONSHIP BETWEEN THE REPTILIANS HELPING THE NAZIS? BLONDS HELPING THE NAZIS? AND BLONDS HELPING THE UNITED STATES?

You're asking the \$64 dollar question that can only be answered until you can accept that we are not just dealing with Reptilians or Little Greys or whatever. We're dealing with probably thousands of different extraterrestrial species, some of which are just coming here, taking a look and leaving.

Others are doing their own agendas — good and bad Nordic civilization people. And Reptilians can make themselves look like Nordics.

RIGHT.

OK? **They can also *make* Nordics and vice versa!** So, if you will accept that we've got White Hats and Black Hats that we're dealing with. And the most important thing is that you are living on a planet, which is nothing but a laboratory that belongs to Them.

**"Earth Is A Laboratory Planet
for Extraterrestrial Agendas!"**

Planet Earth has been being used for thousands of years by different extraterrestrials. We are and have been just a laboratory planet for extraterrestrial agendas!

AND SUPERMARKET FOR GENETIC MATERIAL.

Yeah, right!

WHAT DO YOU REALLY THINK HAPPENED IN WORLD WAR II? HOW WAS ADOLPH HITLER BEING USED? THERE WAS EXTERMINATION OF HEBREWS, BUT WHAT WAS WWII ABOUT IF THE REPTILIANS AND HITLER LOST TO THE ALLIES?

They didn't lose it, OK? Because we did PAPERCLIP. And way before World War II, Germany went to Antarctica and mapped the entire area roughly a little over a third of Antarctica and claimed it.

[Editor's Note: Wikipedia - Operation Paperclip was the Office of Strategic Services (OSS) program in which more than 1,500 German scientists, engineers, and technicians were brought to the United States from Nazi Germany and other countries for employment in the aftermath of World War II. The Joint Intelligence Objectives Agency (JIOA)'s recruitment of German scientists began after the Allied victory in Europe on May 8, 1945, but U.S. President Harry Truman did not formally order the execution of Operation Paperclip until August 1945.]

Then Germany started a program to utilize caverns that were in the area that they had been investigating. So, when the agreement was made for the Reptilians to join military Naval operations with the S. S., the Reptilians disclosed to the S. S. that the Reptilians had three extremely large caverns in Antarctica. The agreement was that the Reptilians had two large caverns that the Germans took over and they started removing the underground facilities for building UFOs and other types of space naval battle group ships.

The Germans started taking those and putting them in very large transport type submarines. Half way into World War II, the Germans had already removed substantial percents of the production and the research facility for all types of these space vehicles and everything that was necessary to build UFOS, operate them, train personnel to operate them in a massive program!

ARE YOU DESCRIBING HITLER REMOVING MOST OF THE UFO TECHNOLOGY FROM UNDERGROUND AT PEENEMÜNDE [p?-n?-mün-d?] TO ANTARCTICA?

Yes. Research was being moved first and then the productions were being removed and they took the slave labor to Antarctica so the situation would not stop even if they lost the war — would not stop Them from their mission to take over the planet, OK?

Now, this is where it gets real sticky! We now have (Project) PAPERCLIP.”

Since the early 1990s, first from people in the human abduction syndrome and then various whistleblowers, I have heard about cloned and hybridized bodies being used as camouflage in Earth's secret wars — not only in World War II.

One long conversation I had in December 1999 was with a retired Defense Intelligence Agency analyst, who said there is an Earth's secret war between three geopolitical territorial non-human intelligences in conflict. He said there were Nordics, Reptilians and the Grey EBENS. He said they fight each other with manipulation of time, minds and 3-dimensional holographic projections. That was the first time that I heard from a U. S. government insider that he knew about the cloning technology that could create any shape and type of body containers that could then be entered and controlled by enemies — or allies. But that you would then need a detection technology to be able to tell which player was in which body. Even then, you might not know for sure the truth about friendly? Or unfriendly?
