## Alien Agendas Include Animal Mutilations and Hybrids

**May 27, 2016 San Diego, California** - Operation PAPERCLIP was the American Office of Strategic Services (OSS) program in which more than 1,500 German scientists, engineers and technicians were brought to the United States from Nazi Germany and other countries after World War II ended. White Sands Proving Ground in southern New Mexico was an assignment for many of them because the United States wanted a rocket program like Germany's, even if it meant dealing with non-humans. The United States also wanted to have those valuable German minds in America and not going to the Soviet Union or other perceived competitors.

The Joint Intelligence Objectives Agency, known as the JIOA, began signing up German scientists and transporting them to the United States after the Allied victory in Europe was declared on May 8, 1945. But President Harry Truman did not formally execute Operation PAPERCLIP orders until August that year. In his orders, President Truman excluded anyone found "to have been a member of the Nazi Party" and its associations, but that rule would have excluded the brilliant rocket scientists Wernher von Braun, Kurt Debus and Arthur Rudolph. So in spite of Truman's order, the JIOA created false employment and political biographies for those scientists in order to get rid of their Nazi backgrounds.

Bill Tompkins was asked to work for Kurt Debus and says the Nazi, Reptilian and Nordic original take-over plans continued in the "land of the free and home of the brave." Mr. Tompkins says he even saw photographs of Neal Armstrong's landing on the moon in which big Reptilian humanoids are standing there with their middle finger raised in salute. But no one in the public and media saw that closed-circuit, delayed video from NASA.

Group of 104 German rocket scientists in 1946, including Wernher von Braun, 7th from right in front row with breast pocket scarf, at Fort Bliss, Texas. The group had been subdivided into two sections: a smaller one at White Sands Proving Grounds for test launches and the larger at Fort Bliss for research. Many had worked to develop the V-2 Rocket at Peenemünde, Germany, and came to the U.S. after World War II, subsequently working on various rockets including the Explorer 1 Space rocket, the Saturn (rocket) and Apollo program at NASA.

## 1. Howe 052616 - Alien Agendas Include Animal Mutilations and Hybrids

Linda Moulton Howe was honored with a Lifetime Achievement Award by the 2016 Conscious Life Expo, Los Angeles, February 20, 2016.

**William Mills Tompkins, retired aerospace engineer and author,**  
*Selected by Extraterrestrials: My life in the top secret world of UFOs, think-tanks and Nordic secretaries* © Dec. 2015; edited by Robert M. Wood, Ph.D.: "And PAPERCLIP was initiated by the U. S. government, mostly personnel from here (in U. S.) getting into Germany after the war and picking up all of the (German) equipment and bringing it to the United States and then some of it goes to Russia.

But 80% of it (German UFO production equipment at Peenemunde) had already been removed. So, we got the leftovers. Yes, we got (Wernher) Von Braun and hundreds and hundreds of German scientists were brought here.

Peenemunde is a peninsula in the northeastern tip of Germany on the Baltic Sea 160 miles north of Berlin. Underground was the Nazi, S.S., and alleged Reptilian and Nordic collaboration on the manufacturing of anti-gravity Vril "round craft."

Haunebu II Do-Stra The Dornier STRAtosphären Flugzeug/Stratospheric Aircraft or Haunebu II, was tested in 1944. Two prototypes were built. These massive machines, several stories tall, were crewed by 20 men. They were also capable of hypersonic speed beyond 21,000 km/h. The Haunebu II was reported to have made 106 test flight. Photo source unknown.

And they infiltrated your aerospace and advanced medical systems companies. They continued the German mission of getting to the moon with the Apollo vehicle and then planning on going out into the (Milky Way) galaxy. Except the Reptilians were already there (on moon, in solar system and out in galaxy)! They already had facilities there!

## Earth's Moon Is Alien Machine?

And there were many other extraterrestrial civilizations working on THEIR Moon. It's not your (Earth human) Moon and it's not even a moon!

DO YOU KNOW FOR A FACT WHICH ONE OF THESE EXTRATERRESTRIALS MANUFACTURED OUR MOON AND PUT IT IN POSITION?

I don't know. I think that's another one of our questions that we need to get an answer to. It doesn't rotate. It stays there looking at planet Earth. It's a vehicle for control.

## First Apollo Landing On Moon, July 20, 1969 — Reptilian Humanoids Waiting?

July 20, 1969, astronaut Neil Armstrong saluting the United States flag after first Apollo landing on the moon. Allegedly three large, silver discs were hovering above a rim of the crater landing site and Bill Tompkins says he saw photographs of the discs and had information that Reptilian humanoids were waiting on crater rim. But NASA did not allow those delayed closed circuit images to reach the public and media. Image by NASA.

So, when we got to the Moon, the astronauts took their cameras and rotated all the way around 360 degrees looking out at the rim of the crater. Half of it, you (public) saw. The other half was covered up and so you never saw the enormous vehicles parked above the crater.

You also didn't see the Reptilians standing on the surface underneath their vehicles giving the astronauts the finger.

REPTILIAN HUMANIDS — WERE THEY LITERALLY RAISING THEIR MIDDLE THIRD FINGER BECAUSE HUMANS WOULD UNDERSTAND THAT WAS F. YOU?

I'm sure that's what it was!

DID ANYBODY SHOW YOU A PHOTOGRAPH OF THE REPTILIANS ON THE MOON?

What we saw were numbers of vehicles — very, very large. And so, yeah! We got there, but then we got chopped off again.

It's for Their (Reptilian/Draco) missions, not ours! It isn't our planet! The planet belongs to Them! It's a laboratory and it's Their laboratory!

BUT WHO IS THE 'THEIR' THAT OWNS EARTH?

You're back to a \$64 dollar question again. We're dealing with thousands of extraterrestrials, so it's probably a Collective. But certainly the Dracos and the Reptilians are part of that control, but it's not specifically their control.

THAT THE DRACOS AND REPTILIANS CAN BE DEFEATED BY SOMETHING THAT IS MORE POWERFUL?

Yes!

## Milky Way Galaxy Federations?

There are an estimated 100 billion stars in our Milky Way galaxy alone. And there are an estimated 100 billion galaxies in the observable universe. That adds up to at least 1 billion trillion stars in this universe! This is 5-minute-time-exposure of our Milky Way Galaxy by ESO astronomer Yuri Beletsky with Jupiter and Antares in foreground from Very Large Telescope, Paranal, Chile, 2007.

AND WHAT IS THAT WHICH IS MORE POWERFUL?

There are the various organizations out in the (Milky Way) galaxy. We're talking about many galaxies out there, but we don't accept that they have any kind of control over us. But we do have numerous organizations out there who monitor other stars' planets and other stars' military aggression against other stars. But we have, unfortunately, many other species out there, who are operating slave organizations. They benefit for using slavery.

WHY WOULD THE REPTILIANS NEED HUMANS TO DO THIS?

## Dracos and Reptilians Hybridization Program with *Homo sapiens sapiens*

Good question. They have found that the human Aryan type were brilliant! And in some cases, far more than their own species. And they wanted to modify themselves to something as a combination between a Reptilian and a human as far as they could.

That (hybridization) program was also going where what they were doing here in United States and other parts of the planet (Earth), they were abducting humans and then interbreeding with different species. This has been going on for hundreds of years by other extraterrestrials and Reptilians.

They would then be operating out in the (Milky Way) galaxy, taking over other stars' planets and make slaves out of them. And they then would expand the Aryan races out in the galaxy. This was part of the specific space missions using the Reptilians' space vehicles.

So, what we're stuck with is that we have possibly a hundred different types of humanoid extraterrestrials here (interacting with Earth). Some of them are nice people and are helping us. Many of them are just like what Hitler dealt with — taking the wrong approach, but working with the Reptilian Draco type extraterrestrials and taking over! It's not just to take over planet Earth and make it a slave planet. But going out into the galaxy and other stars' planets and do the same thing: slavery!

OK, SO WE HAVE 100 DIFFERENT TYPES OF NON-HUMANS COMING AND GOING FROM OTHER SOLAR SYSTEMS THROUGHOUT THE MILKY WAY GALAXY — MAYBE EVEN FROM OTHER GALAXIES THAT ARE INTERACTING WITH THIS PLANET AND WE HAVE BEEN LIVING ON A CONCOCTED PLANET IN WHICH FOR AT LEAST 5,000 YEARS SINCE THE BEGINNING OF ALLEGED MESOPOTAMIAN ANNUNAKI THAT WE HAVE BEEN TOLD WE'RE ALONE IN THE UNIVERSE, WHICH HAS BEEN A BIG LIE.

CAN YOU EXPLAIN WHAT THE RELATIONSHIP IS BETWEEN THE ANNUNAKI ENLIL AND ENKI; THE TITANS VERSUS ZEUS GREEKS; IN RELATIONSHIP TO THIS WHOLE BIG PICTURE OF COMPETING GEOPOLITICAL TERRITORIAL EXTRATERRESTRIAL GROUPS? WHO IN ANNUNAKI TERMS — WERE THOSE REPTILIANS? WERE THEY NORDICS? OR WERE THEY EXTRATERRESTRIAL BIOLOGICAL GREYS?

You're asking an extremely good question. And I think that as we can better understand our own real history, which we're still trying to figure it out! And actually, that's the question that you're asking. Because we have been lied to for, as you said, over 5,000 years of our history.

So, this goes back to where the kings and the queens and the princes and the princesses of different countries back then continually had sexual relations with other countries continually creating more of the Aryan race.

RIGHT.

And this has been going on for eons!"

Eons of harvesting genetic material from humans and animals on Earth to make hybrids, clones and worker bee androids for non-humans. That was first discussed by people experiencing alien intelligences in the human abduction syndrome. Abductee Jim Sparks told me, "The aliens harvest DNA from us to make other life forms and body parts the way humans manufacture cars and auto parts." If that's what the Reptilian humanoids are doing, it would explain animal mutilations around the world in which the ears, eyes, tongues, jaw flesh, genitals, rectums and internal organs are excised without blood and no signs of struggle or tracks around the dead animals. Parallel to the animal mutilations would be humans that are abducted for sperm and egg collection, but the humans are handled differently, being returned **alive** even if their minds and memories have been altered to forget what happened.

When I produced the May 1980 television documentary *A STRANGE HARVEST* about worldwide animal mutilations, sheriffs and deputies told me off the record that "the perpetrators were creatures from outer space."

In my recent interview with Tom DeLonge I asked him what his military and intelligence group of advisers say is the reason the so-called 'gods' or 'Others' are now — and have been for centuries — mutilating large and small animals around the Earth?

**Tom DeLonge:** "I don't have the reason, but I have been given that it is true. Animal mutilations are happening because of the UFO phenomenon. I have not been given a reason why. Whether it's nourishment? Whether it's scientific cloning experiments?

Whether it's just to scare us by dropping the carcass, you know, in the damndest places? I don't know.

OR HARVESTING GENETIC MATERIAL TO CREATE ALL OF THE BODY CONTAINERS THAT THEY USE?

Which would make a lot of sense — studying this stuff as long as you have and as long as I have — anything is possible. But I have been told it is from the UFO phenomenon. That's exactly what was told to me.”

## Lyn Buchanan Remote Viewed E.T.s And Says “There Are Countless Them Out There”

Leonard "Lyn" Buchanan, at his Army retirement on January 7, 1992, Bolling Air Force Base, Washington, D.C.  
Close-up of his retirement certificate and DIA Defense Meritorious Service Medal signed by Secretary of Defense James R. Clapper directly below.

LYN, YOU HAVE ACCESSED THE EXTRATERRESTRIALS IN CONTROLLED REMOTE VIEWING MORE THAN ONCE. WHAT IS YOUR SUMMARY TODAY OF THE NON-HUMANS INTERACTING WITH THIS PLANET AND WHY?

Well, in the military, I was asked to do a survey of the material that never made it into Blue Book because they couldn't deny it. So, they couldn't call it swamp gas. It was too real and proven. I got access to this and was asked to do a paper specifically on perceived psychic ability of the E. T.s as it relates to our ability. How psychic are they?

And what I found was that there is not Us and Them. There's Us and Them and Them and Them and Them and Them and Them and Them and Them. There is no telling how many Thems are out there, each with their own agenda. The end report that I gave was that all of the E. T.s when it comes to psychic ability can be broken into 4 different categories.

You've got the Friendly and Unfriendly. And in each one of those categories, you've got

the Psychic and either Not So Psychic or Not Psychic At All. Now, in each of those four categories, you're going to have:

- Psychic Greys that like us
- Psychic Greys, who do not like us
- Non-psychic Greys who like us
- Non-psychic Greys who do not like us.

So, you can't fit in a one category. I mean, when it comes to the Greys, there are Greys from one place; Greys from another place; Greys from another place and so on. There are just countless Them's out there. But within each of these four categories, I had the Non-Psychic E. T.s, who are friendly to us and they are here for trade.

WELL, IF IT'S ONE WAY, WHAT ARE THEY TAKING?

I happen to know the guy who is in charge of the technology transfer (from Earth to E.T.s). And last time I saw him, he was kind of chuckling. He said, 'We're taking the stuff that They gave to us, improving it and finding more uses for it and making new stuff out of it. Now They want that stuff, so they are trading us more stuff for what we improved that They gave us.

THIS TRADE IS WITH FRIENDLY GREYS?

No, with friendly E. T.s — all different types of E. T.s.”
