

My name is Nadir Salaues i am male and i was born in 1990, I am from Bolivia and Argentina, and I am a pharmacy student. I wanted to inform you about an incredible event which happened to me a few years ago when i was a younger, It is about a report i wrote containing over 500 synchronicities about a paranormal phenomenon which has been spread out over all areas in life :Television, music, politics,sports, arts, etc Four numbers that repeat themselves over those areas which consist of intertwining dates over time and space and those dates belong to a particular object. It has been giving itself in books, movies, all over the media. Those numbers are 14, 18, 19 and 16 and those numbers came up when i was a student and found out that a flutist girl ( who hasn't agreed to show up so the report is about my person only) has a name that is complementary to mine and those two names are intertwined from each other as to form a ying yang structure, one is the ying and the other is the yang ,and those four numbers are repeated over the entire existence. The phenomenon repeats itself over 500 times and it is to the present day that i keep finding more and more. It's really crazy to think anything lie this could be a serious thing but it is not a joke at all it's really important and i have checked the document many times so really the file has little or no mistakes, i am not insane or out of touch with reality as i am grounded to earth very strongly and awake in daily life I really would appreciate your help in helping this document replicate itself over the media. It would be great if you could share this document with any other high contact you know in the alternative media so it could make it to the big mainstream news because i don't have the means to do it so . Im sharing this document with all the people i know with the hope that someday it will reach the media. If you have contact with other insiders you know or people in the alternative that would be great. I think that this treasure belongs to the world and it will not be stored and forgotten forever on my computer files as it would be very sad `cause it would help a lot of people. I am not 100 % fluent in english , my vocabulary is scarce so i apologize for that- write me at 1) nadir23390@gmail.com / 2) www.facebook.com/nadir23390 / 3) https://www.instagram.com/nadir\_salaues\_90/

I have been working on this document during the past 4 years to give the document a satisfactory form and i am very pleased to say that it is finished as to the winter of 2020  
It has been a titanic effort from my part to give the document a complete essence and i a very pleased to say that it is already finished. I only hope this document make public eyes and it spreads it popularity properly and i really hope this gets to the mainstream attention . i count on every one of you to make this worldwide news as i am only counting on my humble computer to make this possible.  
I will go one step beyond the ridicule and the mocks to say that this is too important to mankind to worry about my small ego and i think it was worth the sacrifice because i think it is a treasure that belongs to every being o this planet despite anything that would happen to me by revealing this because this is like the most important document you will read on your life  
This document is for informational or educational purposes .You may share it if you wish but don't alter it's content and ownership. All dates are taken from wikipedia and google search engine. Infringement of privacy was never meant to , only with the objective of accomplishing something great . Thanks to Wikipedia and Date to date calculator for making this possible  
without further due, here is the report. I hope you enjoy it and help me get this into the maintream `cause i think its really important. Spread it to your friends, your relatives and all of the people you care for the good of mankind.
