

# **The Secret Plan to Save Humanity, a summary of the Q operation and the rise of Commander Trump**

Written by Mike S. King.

About the author

Mike S. King, is an American private investigative journalist and researcher. Art 1987 graduate of Rutgers University in New Jersey, King's subsequent career in marketing and advertising equipped him with a unique perspective when it comes to understanding how public opinion is indeed scientifically manufactured. Marketing acumen combines with city boy instincts to make King one of the most tenacious detectors of things that don't add up in the world today.

Says King of his admitted quirks, irreverent disdain for conventional wisdom and uncanny ability to ferret out and weave together important data points that others miss: had Sherlock Holmes been an actual historical personage, I would have been his reincarnation.

Among his many other works, King is also the author of The Bad War, The Truth About World War II, Planet Rothschild, Forbidden History of the NWO, Napoleon vs. the Old and New World Orders, The War Against Putin, The Real Roosevelts, Climate Bogeyman, Crash Course

911 Inside Job, and Crash Course NWO.

Mike's website is [realnewsandhistory.com](http://realnewsandhistory.com).

Director's note: audience members who enjoy this production and wish to support Mike's work are suggested to purchase a copy directly from Amazon and also to leave a positive review on the page. Doing so will help to increase his author rating and ideally lead to more exposure to potential new viewers.

## **Section one**

### **The New World Order, a conspiracy to enslave the world.**

The New World Order is a centuries-old conspiracy to corrupt, weaken and finally overthrow Western civilization and establish global totalitarianism upon the economic and cultural ruins of the entire planet. At the core of

this effort is an immense and intricate network of bankers, media moguls, political operatives, academics and intelligence agencies. The Cabal bosses have long been disproportionately – but not exclusively – Jewish. In order to advance the ultimate agenda, the Cabal uses racial hatred mainly against whites, national rivalries, religious differences, perpetual debt, wars, world wars, civil wars, diseases, false flag terrorism, assassinations, communism, atheism, Satanism, Zionism, environmentalism and feminism. An immorality of all forms as methods for degrading and wearing down humanity.

Along their journey from underground plotters to above-the-clouds masters, the Cabal has ruined or murdered many who have dared to resist or disobey them.

After World War II and up until recent years, the plotters had seemed invincible. But the rise of Donald Trump, backed by a worldwide military intelligence and special operations alliance, has weakened the Cabal.

Most people remain blissfully unaware of this invisible war. The globalists use fake news to weaken all nations and peoples. The end goal is a global slave state, famous names who openly advocated for world government.

The one world dictatorship movement is not some crazy conspiracy theory but a strategic term invented by deep state propagandists for the purpose of closing down the minds of shallow, stupid people. The New World Order has been confirmed by many powerful and famous people, following just a few of the telling quotes from well-known insiders.

H. G. Wells, noted British author:

*"The New World Order, 1939. When the struggle seems to be drifting definitely towards a world social democracy, there may still be very great delays and disappointments before it becomes an efficient world system. Countless people will hate the New World Order and will die protesting against it. When we attempt to evaluate its promise, we have to bear in mind the distress of a generation or so of malcontents, many of them quite gallant and graceful-looking people."*

Albert Einstein:

*"Our federal organization of the nations, is not only possible but an absolute necessity if the conditions on our planet are not to become unbearable for men. I am without any special attachment to any state or national entity whatsoever. A worldwide organization cannot ensure peace effectively unless it has control over the entire military power of its members."*

Winston Churchill:

*"We must recreate the European family in a regional structure called – it may be the United States of Europe. This indispensable structure of regional groupings is coming into being. In this way alone, can the skeletal structure of world government be clothed with the flesh and blood of a living organism."*

Walter Cronkite, CBS News anchor upon receiving a World Government Award, 1999:

*"We must strengthen the United Nations as a first step toward a world government with a legislature, executive and judiciary, and police to enforce its international laws and keep the peace. We Americans are going to have to yield up some of our sovereignty. That's going to be, to many, a bitter pill. Today we must develop federal structures on a global level. We need a democratic federal world government."*

Hillary Clinton congratulating Cronkite for his World Government Award:

*"Good evening and congratulations, Walter, on receiving the World Federalist Association's Global Governance Award. For more than a generation in America, it wasn't the news until Walter Cronkite told us it was the news. You became a trusted member of my family and the families across America. For decades you told us the way it is, but tonight we honor you for*

*fighting for the way it could be."*

The roots of this generational worldwide conspiracy of secret societies date back to Adam Weishaupt's May 1st, 1776, founding of the secret society known as the Illuminati and the subsequent French Revolution.

---

## **Section 2**

### **The Q military operation, a conspiracy to save the world.**

"QAnon" is erroneously described as a conspiracy theory, which began with an October 28, 2017 post on the anonymous Internet Forum 4Chan, appearing on a sub-forum titled "The Storm" made by someone using the handle Q. That was the same day on which special prosecutor John Durham was appointed to investigate the horrible crimes of the Clintons and beyond.

The poster, who later moved to 8Chan, claims to represent military intelligence with access to highly classified information involving the Trump administration and its enemies in the international cabal. The numerous posts known as "crumbs" predict in surprisingly accurate detail how the white hats – fed up with seeing a government of and owned by traitors – are going

to gradually dismantle a satanic conspiracy of the deep state and also known as the "black hats".

The crumbs accuse numerous Hollywood actors, politicians and high-ranking officials of engaging in an international child sex trafficking, child torture and child murdering. According to the theory, Trump arranged for Robert Mueller to be appointed not to investigate Trump and the Russians, but rather to investigate Hillary and the cabal. That is why Trump constantly refers to the Mueller probe as a "witch hunt" – the "witch is Hillary" and she is indeed being hunted.

The conspiracy theory is also known as "The Storm", after Trump's cryptic reference to a coming storm and "The Great Awakening". Trump made it a point to surround himself with military leaders and tease the media with talk about a coming "storm".

Soon afterward, Q began his amazingly prophetic posts. Q's cryptic posts are numerous – almost 5000 – and require hours of study, research and deductive logic to make sense of. Consider the accurate bullet point summary set forth below as a good crash course of what Q has posted. For a more thorough analysis, research and work through the many Q posts on your own at various sites, which repost them online. A notable site would be QAnon.pub.

- The cabal never expected Hillary to lose.
- The cabal was not aware of what the white hats had in store for them.
- The storm is actually a military coup, which recruited Trump to lead the political and legal aspects of what is to be the greatest "sting" operation.
- Many elites, including Hillary, worship Satan and torture children.
- Robert Mueller, an ex-Marine, actually worked for the white hats while pretending to oppose Trump.
- The NSA has all the evidence needed to take down the cabal.
- JFK senior and JFK junior were murdered by the cabal.
- Supreme Court Justice Antonin Scalia was murdered by the cabal.
- The evidence needs to be cleaned, that is, slowly introduced under the cover of other investigations so that it is no longer unactionable evidence.
- The coup is a slow-motion process, not an overnight event.
- Many federal judges need to be appointed, and FBI and DOJ criminals slowly purged and replaced with patriots.
- It is important not to shock the public all at once. When the time is right, mass arrests of traitors will be made, and a national emergency

will be declared.

- Plants such as General Mike Flynn and former Trump campaign manager Paul Manafort were placed under fake investigation so that some of the NSA evidence could be laundered and placed into play.
- Attorney General Jeff Sessions only pretended to be weak and incompetent. This allowed him to clean out traitors in the FBI and DOJ and conduct his own investigations into Democrat voter fraud, the Clinton Foundation, child sex trafficking and other crimes in peace and quiet.
- Hillary and daughter Chelsea are into Satanism and witchcraft.
- Obama's Iran deal was crooked and involved massive cash bribes.
- Hillary Clinton and many other big names are involved with child sex trafficking, child sex torture, murder and Satanism.
- Obama is a child sex predator.
- The secret war between the factions extends to outer space.
- The resignations and firings of so many big men, many of them child rapists in media, Hollywood, business and politics, are by design of the white hats.
- Smaller criminals are being used to rat out the bigger ones.
- Deep state operatives in government and media will initiate attempts to impeach and remove Trump from office, but they will not

succeed.

- The black hats have conspired with certain foreign allies to assassinate Trump. Several attempts have been thwarted.
- John McCain faked cancer in a failed attempt to escape justice. He was later executed by the military for high treason so that he could not be there to stop Trump's Supreme Court nominee, Brett Kavanaugh, from being nominated.
- Hillary and McCain were both spotted wearing ankle boots for over two months; he for a tendon injury and she for a broken toe sustained while falling down the stairs backwards while drinking coffee. Were they concealing GPS ankle devices? Senator McCain was later caught switching his boot from right to left and explained it away by saying his other leg was getting tired.
- The official stories of World War One and Two are false.
- Tech front men such as Mark Zuckerberg are CIA.
- Ed Snowden was hunted by NSA, but is now cooperating with the white hats.
- The state government of California has started wildfires in order to get more federal money.
- School shootings are staged by the deep state as diversions and attempts at gun control.
- Other black hat Republicans were forced to resign: Jeff Flake, Paul Ryan, Bob Corker, etc.
- Over 200,000 sealed indictments, many of them big names will eventually be unsealed.

Cabal criminals will be tried by military tribunals and sent to the US's Guantanamo prison in Cuba, many of them to be executed.

- The elite DC based "Pedogate" child sex and torture murder ring is real and will be exposed.
- Guantanamo Bay military prison will be filled up with cabal members and their agents.
- The mighty Rothschilds and George Soros will fall.
- During the storm, the white hats may use emergency cell phone alerts to bypass the media and communicate directly to the American people.
- Some Q-crumbs are deliberate misinformation intended to confuse the deep state.
- The Democrat Party is being set up for Trump to absolutely destroy it.
- Flocks will abandon the Democrat Party when they learn of Hillary's kidnapping and sex trafficking of Haitian children.
- Other world leaders, Putin of Russia, Xi of China, are working with Trump to smash the globalists once and for all.
- The Republicans would be purged of its anti-Trump traitors and then roll on to a 2020 midterm election landslide.
- The truth about the 9/11 attacks will be revealed in due time.
- The Israel-Palestine issue will be settled peacefully once and for all. There will be no more Israeli aggression or expansion.

- COVID-19 was a deep state hoax intended to provide a pretext for a mail-in ballot election so that Trump could be removed via a fraudulent election in 2020. Trump and the white hats knew what was coming and turned their conspiracy into a sting operation.
- The election of Biden was also necessary to show the public how wicked and destructive the globalists are, but the patriots will strike back.
- The revelations of the crimes against children will unite the people of the world against the Satanic globalists. Everything must be done slowly, methodically and legally, so as not to shock the dormant and brainwashed American public all at once. They must see it for themselves. And there's much, much more.

All of Q's posts can be read at [qanon.pub](https://qanon.pub)

The Pedo Monster art of Alex Podesta:

Many people now know about the suspected Pedo Monster Podesta brothers, John and Tony. John was Hillary's campaign manager, and Tony, current whereabouts unknown, probably under arrest, was one of the most influential lobbyists in DC until Robert Mueller, who is working with Trump, put him out of business in late 2017.

Here are a few pieces of crap produced by artists that Tony Podesta, by his own admission, ranked among his favorites. Torture and murder of

children.

[photos of "artwork" omitted in this version]

Evidently, that's what Alice in Wonderland, Hillary's codename according to emails hacked by NSA, means to Pedo Monsters. Would you display such photos in your home? Or throw a party for the artist? Well Podesta did.

Adding credence to the Qanon phenomenon are the vicious mainstream media attacks aimed at Q, as well as the indisputable fact that Trump himself, on many occasions, both by tweets and in person, has deliberately provided Q followers with clear hints that he knows about Q. Even in the public arena, Trump has winked or praised Q, as the media headlines below confirm:

Headline Politico.

Headline Associated Press.

Headline Forbes.

*"Is Qanon for real?"*

Well, it does appear that Trump is blessed and backed up by some invisible force that is very powerful. Is it not? The coming months will tell. In the meantime, keep this presentation in mind and spread it widely.

One and two.

Q followers grew in number so fast that the fake news had launched many attacks on the

movement.

Three.

Late night talk show host Bill Maher, called out as a Pedo Monster by Q, did a lengthy segment mocking the conspiracy theory.

General Mike Flynn: "We have an army of digital soldiers. We have what we call citizen journalists because the journalists that we have in our media did a disservice to themselves, actually, more than they did to this country, because they displayed an arrogance that is unprecedented. And so the American people decided to take over the idea of information, and they did it through social media. This is irregular warfare at its finest."

---

## **Section 3.**

### **Commander Trump**

**2008. Presidential candidate Barack Obama calls for a civilian force as powerful as the U.S. military.**

The cabal had always feared that elements of the U.S. military could one day rise up and overthrow their criminal conspiracy. To counter such a possibility, candidate and cabal puppet Obama called for the establishment of a civilian

national security force, just as powerful, just as strong, and just as well funded as our military.

**2009 to 2015. President Obama fires 197 patriotic generals and admirals.**

In preparation for the unjust wars and domestic subversion to come, NWO cabal agent Barack Obama purges the military of officers suspected of being in disagreement with his treasonous agenda. The cabal wants only compliant and fearful stooges commanding the armed forces, not moral patriots. The deliberate decimation of military brass is so unprecedented that even the media takes notice.

But the remaining white hat faction of the military has got a secret master plan up its sleeve, a Trump card, so to speak.

**2012-25th. Trump is recruited and prepped by patriotic military leaders.**

Rather than have to stage a violent coup and trigger a genocidal left-right civil war, military patriots hatch an elaborate legal scheme to break the power of the long and deeply entrenched worldwide satanic Rothschild-Soros-Mossad-CIA fake news Hollywood cabal through a different type of warfare. To that end, patriotic businessman Donald Trump is recruited to run for the highest office in the land. To learn more about this new world order cabal, please read

Crash Course NWO 250 years of globalist conspiracy in just one hour.

**November 8th, 2016. Trump shocks the world.**

With the invisible army of military operatives, white hats, protecting and supporting him, the Trump forces are able to suppress just enough computerized Democrat voter fraud to win the 2016 presidential election and save America from the cabal's chosen candidate, the vile satanic witch Hillary Clinton.

But before Trump is even inaugurated, the deep state is already putting plans into effect to take down Trump for colluding with Russia to somehow rig the election. Because the military is all seeing, NSA and other military intelligence agencies are also backing Trump; various necessary and brilliant counter moves are put in motion.

**January 20th, 2017. Trump sends the cabal, a threatening coded message during his inauguration.**

During his inauguration speech, a group of military men strangely arrive on stage and flank the new president just as he is speaking about giving the country back to its people. The soldiers and officers stay for less than one minute and then depart as Trump is still

speaking. The media was left scratching their heads over the meaning of this bizarre, sudden military presence, while some communists expressed concern over it. The answer to this mystery lies in the striped hats which the two officers flanking Trump were wearing. The officer on the left was from the NSA, which gathers evidence, and the officer on the right was from JAG, which uses evidence to prosecute criminals in military tribunals. Boom!

### **May 2017. The Mueller investigation.**

Trump's enemies believe that the Mueller investigation will concoct a way to ruin Trump for colluding with Russia. Little do they know that Mueller, an ex-Marine, works for Trump. In reality, it is Trump's enemies who are being investigated by Mueller. Trump ultimately receives a clean bill of health from Mueller, but Tony Podesta, the disgusting pervert power broker who collects child torture and murder art ends up losing everything after the Mueller probe inadvertently stumbles across evidence of wrongdoing related to his DC lobbying firm.

God only knows what other evidence Mueller has gathered on other criminals while pretending to investigate his boss, Trump.

### **October 5th and 6th, 2017. Trump threatens a coming storm.**

While surrounded by various military generals and their spouses at a White House function, Trump teases the reporters present with a cryptic reference to a coming storm. The New York Times describes the strange incident. President Trump was clearly looking to make some kind of news, but about what exactly was not clear, and the mystery only deepened the next day. Gesturing to his guests, he said, "You guys know what this represents? Maybe it's the calm before the storm."

"What's the storm?" asked one reporter.

"Could be the calm before the storm," Mr. Trump repeated, stretching out the phrase, a sly smile playing across his face.

"From Iran," ventured another reporter.

"On ISIS? On what?"

"What storm, Mr. President?" asked a third journalist, a hint of impatience creeping into her voice.

Mr. Trump brought the questions to an end. He praised his guests as the world's great military people, and excused the stymied reporters, who returned to their workstations to start another round of, "What was the president talking about?" Trump ends the questions by saying, "You'll find out."

The following day, when curious reporters attempt to again follow up on what Trump meant by "the calm before the storm," the president

continues to tease them, mischievously winking as he again states, "You'll find out." Watch the brief ABC News video.

### **October 28th, 2017. The start of QAnon and the Storm.**

Just three weeks after Trump's remarks about the coming storm, an anonymous forum poster, or posters claiming to be part of a secretive military intelligence operation backing Trump in his war against satanic globalists, begins dropping crumbs in a forum known as 4chan. Under a sub-forum titled, "You Guezt It, The Storm."

We learn over time that this operation, designed so as to avoid a conventional coup and civil war, comprises four main elements, under which all other objectives fall. A massive international sting operation, directed at the deep state globalist cabal and its agents.

The clever injection of evidence obtained without a warrant, NSA surveillance, etc., into the legal system.

The legal deployment of US National Guard and regular military personnel to round up the evildoers, assisted by Putin of Russia, Xi of China, and many other political, military and intel operatives from around the world.

The gradual awakening of the brainwashed American and world public, by use of

manufactured but necessary scares, stage managed by the White Hats, border invasion, economic distress, faked wars, possible civil unrest, etc.

**November 1st, 2017. Q fortells of Trump invoking the 1792 Insurrection Act, amended 1807.**

In his 22nd post, dated November 1st, 2017, the anonymous character soon to be known as Q. poses an interesting question, hinting at the invoking of the Insurrection Act, and the powers it would give to a president in a state of emergency.

To enhance your understanding, the answers to the Q questions are provided by yours truly in italics.

Q. Who controls the NG?

*National Guard State Units can be federalized by the US President.*

Can the NG work in coordination with the Marines?

*Yes.*

Do conditions need to be satisfied to authorize?

*There must be an insurrection.*

What former president used the military to save the Republic?

*Abe Lincoln.*

And what occurred exactly?

## *The US Civil War?*

### **January 12th, 2018. The Stormy Daniels operation starts the quiet storm.**

The Wall Street Journal reports that just before the 2016 presidential election, Michael Cohen, lawyer for Trump, arranged a hush money payment of \$130,000 to porn star Stormy Daniels, Stephanie Clifford, in order to stop her from disclosing an affair she and Trump allegedly had in 2006. The payment is said to have violated federal campaign finance laws. The jackals of fake news begin salivating, but the joke will be on them. You see, the true purpose of the Stormy Daniels case is to provide a pretext for raiding the office of Cohen, who actually remains a Trump loyalist, thereby injecting previously unusable evidence, no warrant, into the legal realm, from which it can be used to hang various deep status for unrelated matters. Such raids, and there would be many more, serve the purpose of washing the fruit of the poison tree. What a clever touch the military white hats made by naming this character, Stormy. Get it?

### **January 30th, 2018. Trump preserves and expands Guantanamo Bay Military Prison.**

Trump signs executive order 138223, keeping the military prison at Guantanamo Bay open. He will then spend over \$500 million to expand it.

This is where he intends to house the thousands of deep state criminals, and they already know it.

**September 12th, 2018. Trump's executive order 13848 on election interference.**

Trump's declaration of a national emergency relating to foreign election interference, CIA overseas operations, grants him broad powers to entrap and destroy political and intelligence operatives who engage in election fraud. He is already positioning the deep state for the great sting of 2020.

**December 20th, 2018. Trump's executive order 13818 on serious human rights abuse and corruption.**

Trump's declaration of a national emergency relating to human trafficking and extreme corruption grants him the power to seize the assets of those involved and even disappear and replace them. This is why the deep state seems to be no longer capable of turning out massive rent-a-mobs to spontaneously protest in favor of their agenda. It is also why so many prominent celebrities and billionaires have been selling off assets.

**Sometime in 2019, retired VP Biden arrested and replaced.**

Among the many people disappeared, presumably executed at Guantanamo Bay Prison

in Cuba, and replaced with a mask wearing imposter is Joseph Biden, a known extreme crook and pedosexual degenerate. Trump would later jokingly tease that Biden is shot, he's got half of his head left, and Joe doesn't know he's alive.

It's not the same guy. He acts different. He looks different. See video compilation of Trump teasing Biden's execution by firing squad at the Rumble channel for [RealNewsInHistory.com](https://www.rumble.com/RealNewsInHistory).

### **January 2020. The COVID hoax is sprung upon Trump.**

In an effort to crash the economy, remove Trump from office with mail-in ballot fraud, lock down the world for five years, usher in the great reset world government mandating that everyone on the planet receives a vaccine containing a microchip, the COVID hoax is unleashed with maximum power and energy.

This will be the beginning of the end for the deep state. Trump is forced to roll with this mighty punch before ending the deadly lockdowns through the military-supervised Warp Speed vaccine. It was the only way to break the blockade.

Trump now referring to himself as a wartime president, fighting an invisible enemy, used the

cover of the lockdowns to disappear many celebrities and deep state operatives in accordance with his powerful executive order on human rights abuse and extreme corruption.

### **November 3, 2020. The stolen election of 2020.**

Trump could easily have stopped the election fraud of 2020, but that would have defeated the whole purpose of the Sting operation. In due time, all of the evidence will be presented in the 2024 criminal trials aimed at Trump. Trials which he himself has engineered for this purpose.

### **Q-posts of November and December 2020.**

After the surprise election loss, Q-posts explain, albeit a bit cryptically, that things had to be this way and that the election crime, treason, was a deliberate setup, a sting, and monitored all along.

The Q-plan calls for chaos and crisis to be unleashed while the imposter, Biden, is president. In this way, Trump keeps his hands clean and cannot be accused of playing political games when the revelations begin to flow.

*Author's note: Q never actually said that Biden is an imposter. That is our logical inference, but Q does indeed make it clear that we are "watching a movie" with many great actors.*

## **December 2020. Trump cleans out the Pentagon civilian board and appoints key people.**

Before supposedly leaving office, Trump cleans out the Pentagon civilian board and appoints a new defence secretary, Chris Miller, as well as other key figures. Why would a departing president make such moves when the incoming president will be appointing his own people anyway? Answer. Trump was planning to secretly stay in role as commander-in-chief of an emergency occupation known as a continuity of government regime.

## **January 6, 2021. Trump invokes the insurrection act.**

Trump baited the deep state by calling for a massive rally in protest of the stolen election. He knew in advance that they would send agents dressed as Trump supporters to make an ugly scene in order to embarrass, impeach, and convict Trump so that he could never run for president again. Trump then posts a brief video on Twitter in which he essentially recites the exact verbiage needed to satisfy the legal requirement for putting the insurrection act into effect.

Section 334 of the Insurrection Act, titled *Proclamation to Disperse*, reads, "*Whenever the*

*president considers it necessary to use the militia, national guard, or the armed forces under this chapter, he shall by proclamation immediately order the insurgents to disperse and retire peaceably to their abodes or homes within a limited time."*

Later that afternoon, Trump posts a brief video to his Twitter feed during which he clearly recites the precise language required, *"Go home, peace, now,"* to invoke the Insurrection Act and make himself the emergency commander of a military-run government that relies primarily upon special forces, intelligence maneuvers, psychological operations, and other forms of irregular warfare instead of overt physical combat, military, political, and intelligence patriots in nations all around the world continue to assist in this historic battle of good versus evil.

Trump's proclamation to disperse on January 6th, *"You have to go home now, we have to have peace, we have to have peace, so go home, go home, and go home in peace."* Trump, while pretending to be a powerless victim, is now America's supreme commander. Under his orders, Twitter removes his account. In time, Trump's truth social will play some sort of important role when the storm is ready to go public.

## **2021 to 2024, the final quiet cleansing of the cabal.**

So, after the January 6th proclamation, any state or federal official, as well as any journalist who continues to cover up the truth about the stolen election, is guilty of insurrection and can be placed under arrest or under do-as-we-say submission. The emergency occupation powers can now dictate to the government and to the media. At this point, the game is over. All that remains is the benevolent manipulation and delicate deprogramming of the brainwashed public, the normies.

## **January 20th, 2021, fake inauguration day.**

DC is totally militarized. Commander Trump surrounds and occupies Washington, DC with an astonishing 25,000 federalized National Guard troops hailing from all 50 states. Biden is sworn in at the wrong time. The media and the nation are distracted by a sparsely attended fake inauguration in which Biden was sworn in 12 minutes early. Never happened before.

Trump receives presidential honors from military. Prior to departing DC aboard Air Force One, Trump is honored with a red carpet, a rendition of *Hail to the Chief* and a presidential four-canon 21 volley salute.

Biden attends his own funeral. A procession of

black limousines departs from the inauguration and heads for Arlington National Cemetery – never happened before – where a bugler plays the funeral song "Taps" and Biden is given the customary three-canon salute – never happened before; it's for funerals. He did not receive the standard 21 shot salute from four canons that is required military protocol.

### **2021 to 2024. The masked imposter works for Trump.**

December 18th, 2023. Biden extends Trump's executive order on human rights abuse.

September 7th, 2023. Biden extends Trump's executive order on foreign election interference.

Biden breaks his promise to close the military prison at Gitmo. 2024.

Media warns of Trump's coming military dictatorship. We are hearing this drumbeat constantly now. The purpose isn't to warn the public of the coming military deployments, but rather to prepare the normies for the public phase of the storm. The military patriots are in charge and have been in control, but perhaps not yet 100% since January 6th. And that control includes oversight of the media now, which is why the white hats are able to run the same type of sophisticated psychological hoax operations that the cabal ran for so many decades. The difference is that the scams offer the benefit of

humanity now. Given the extent of the brainwashing and the delicate nature of the normie ego, it has to be this way.

### **What's to come in 2024-25?**

After the military white hats have staged crisis events, both domestically and in foreign affairs, Trump, either by proper instalment or by election, will in due time return as the hero who saves the day. He will then wield his emergency power, no longer in secret but openly, and with the public's blessing. The world will then witness the tape-delay (video) version of the storm, mass arrests, prosecutions, executions, etc., which has actually already played out.

The dangerous players had to be removed first, before the public can be gradually informed of their hideous crimes, child sex trafficking, and ritual torture murder, foremost among the evils.

The year 2024, no matter what necessary domestic and world war scares are thrown at us, will be glorious. Trust the plan and thank Trump and the military for eradicating the globalist New World Order. On inauguration day, Trump received a full presidential 21-gun salute, whereas Biden, sworn in at the wrong time, was sent to Arlington National Cemetery for his own symbolic funeral service, with guns and bugler consistent with a funeral, not an inauguration.

---

## **Section 4**

### **How Q and Trump Seized the Wizard of Oz Illusion Machine**

The most rational objection raised against the Q and the White Hats scenario, and its Q-related offshoot about the ongoing Gitmo arrests/ executions and imposter replacements of various big names from government, media, and Hollyweird, is that such special operations could not be kept hidden.

Dirty politicians, as well as the mighty deep state media, would never just stand down quietly and allow the cabal to be slowly gutted and destroyed in this manner. The very idea of such meek compliance from the fake news is absurd. The bad guys worldwide, through their media, would by now have been screaming from the rooftops about the fascist Q, scaring millions of frightened libtards and normies out into the streets, demanding an end to the human rights violations. This is a solid and logical objection, because such a colossal operation would indeed not only require the White Hats to construct a stupendous illusion machine on par with the 100+ year old mainstream media, but they would also have to silence the existing Wizard of

Oz Illusion Machine in order to protect the Gitmo round-up operation from being blown wide open, before it could even begin.

Yes, the White Hats have thousands of skilled intelligence operatives, special forces soldiers, state-of-the-art technologies, sophisticated masks, numerous internet influencers and unlimited surveillance capabilities in their formidable arsenal of irregular warfare. But the one thing which the military does not possess is anything remotely comparable to the mass hypnotic power of the howling 24/7 Wizard of Oz machine that can make the boobs of normiedoms swallow such preposterous fairy tales as Bin Laden 9/11, the Sandy Hook shooting hoax, the Boston bombing hoax, the ISIS beheadings, the Covid-19 hoax, etc. etc. etc. This deficiency alone blows the whole Q-led secret arrest hypothesis out of the water, right?

Not exactly. It has already been well established beyond any reasonable doubt that Team Q/Trump has the ability, by way of threats of prosecution, to compel scores of prominent and relatively young politicians of both parties either to forcefully resign, such as Paul Ryan, Bob Corker, Jeff Flake, Oren Hatch, Pat Toomey, Ben Sasse, Andrew Cuomo, etc. or immediately to submit to their instructions, such as Lindsay Graham, Marco Rubio, Kevin McCarthy, et al.

Q used those exact terms, resignation and submission, months before so many big names did exactly that. Even the media expressed surprise at the unusual number of resignations in the 2018-2020 and 2022 election cycles and 2024 is already shaping up to be a year of high demon rat resignations, not to mention defeats.

*Editor's note, Q has posted several lengthy lists of CEOs, congressmen, senators and DOJ and FBI officials who have either resigned or been openly fired.*

The vile traitor John McCain was actually executed, his coffin disrespectfully draped in a wrinkled flag and denied burial at Arlington National Cemetery as Trump played golf during the funeral.

Before we move on to discuss the Wizard of Oz illusion machine, take a few moments to digest the following images and headlines. This will establish the critical context as well as precedent, which relates to this question. For those of you who have taken to contentiously berating Q and non-visionaries as Q-tards, while still insisting that the peculiar political blood bath of 2018-2022 that Q so accurately called well in advance and which never touched any far right congressman was just a coincidence, then there's

really no point in reading any further. Your mind is closed, your neck is stiff and only the momentous coming events will change your thinking, which is perfectly fine.

But if you're intrigued and impressed by these and so many other remarkably accurate prophecies and unexpected developments worldwide, then we may rationally resolve the riddle posed by the Wizard of Oz objection.

Recall how, toward the end of that classic 1939 colour film, the fearsome, all-knowing, almighty Wizard of Oz was finally exposed by little Toto, the dog's curtain pulling, as being just a goofy little man hiding in a machine that could project a fearsome fake image of a giant fiery talking head. Now let's take that scene a step further.

Suppose that Dorothy, the protagonist and her three companions, had then pointed guns at the little man's head, commandeered his illusion machine, and then threatened him, by authority of federal law, into keeping quiet about the games which they were about to play. Wouldn't that make Dorothy the new Wizard of Oz endowed with instant capabilities to stage her own outrageous illusions for the good?

You see, dear detractors, once you have accepted the fact that the operator of the Wizard

of Oz illusion machine can so effortlessly conjure up and conceal the truth of any event that he pleases, as proven by the Kennedy killings, the Gulf of Tonkin incident, USS Liberty, 9/11, mass crisis actor shooting, ISIS beheadings, COVID mania, etc. And once you accept the fact that the Q-team was able to place so many powerful politicians under submission and force them into early retirements, also CEOs such as Jack Dorsey, Jeff Zucker, Et Al, and CIA journalists such as Charlie Rose, Chris Cuomo, Brian Stelter, Don Lemon, et al, then it is a very short hop logical inference to arrive at the conclusion that a handful of elite media moguls, guilty of insurrection and treason, have also been quote-unquote "spoken to" and asked to cooperate through silence, known as "orders of nondisclosure", about certain sensitive operations now taking place.

They are also being made to insert CGI illusions and acted out in poster events, such as fake state of the union speeches and Biden's fake trip to Ukraine. Indeed, under emergency FEMA continuity of government, COG directives, the military is authorized to commandeer all means of communications legally.

We're off to see the Wizard, the wonderful Wizard of Oz, and behold the epic, dramatic military scripted return of the Donald, followed

by the tape-delayed, reenacted, absolute obliteration of stumbling, bumbling, mumbling Joe Biden, the demon-wreck Communist Party, and the satanic NWO Cabal itself once and for all. Yes, all will do as told; trust the plan.

### **Q-Post 32, November 1st, 2017.**

Not even the MSM or mainstream media can hide, and, rest assured, some will be jailed as deep state agents.

---

## **Section 5.**

### **Trump's 60,000-man army of secret agents.**

Newsweek magazine had been under continuous Jewish control since 1961, passing from the hands of the wicked witch, Catherine Maya Graham, Washington Post, to ultra-Zionists Sidney and Jane Harmon in 2010, and then to Barry Diller in 2012. In 2013, the failing entity was finally let go by the Jewish mafia, and eventually acquired by Dev Praggad and Jonathan Davis of IBT Media, who have made the online print entity profitable again.

Some of you guys may have noticed that its online pieces, though not exactly conservative, have been more objective and professional in recent years. Now you know why.

Whilst researching the topic of military intelligence, the editorial board here at Real News and History just stumbled across a singularly enlightening *Newsweek* article from May 17th, 2021, just over four months after Commander Trump secretly invoked the Insurrection Act and placed the country under temporary military occupation. For those still skeptical about the existence of the military operation, or wondering exactly how an operation of such magnitude could be pulled off in secret, this *Newsweek* exclusive, *White Hat Planted*, should clarify the "how" of this matter.

The most relevant points of this astonishing, yet mildly critical, *Newsweek* article are summarized and analyzed here, with a link to the full piece posted at the end. Only the most hopelessly blackpilled will be able to shrug this one off, and they surely will.

*Newsweek*, the largest undercover force the world has ever known is the one created by the Pentagon over the past decade.

Analysis: over the past decade, means that the creation of this 60,000 man and woman secret Cyop Army started right about the time that Communist Obongo was firing 200 generals and admirals, and right about the time that a private citizen named Donald J. Trump suddenly began

issuing politically charged tweets. Trump was already being groomed to command this largest undercover force the world has ever known.

*Newsweek*: some 60,000 people now belong to this secret army, many working under massed identities and in low profile, all part of a broad program called "signature reduction". Analysis: secret army and massed identities. I hate to say "see I told you so," but *Newsweek*, the force more than ten times the size of the clandestine elements of the CIA.

Analysis: that means that the CIA has 6,000 such operatives; although only a fraction of what the secret military now has, that is still a formidable force, and explains where the deep state found its crisis actors and secret agents for the Sandy Hook school show, the Boston smoke bomb, etc.

*Newsweek* carries out domestic and foreign assignments.

Analysis: domestic and foreign, we see these massed fakes everywhere.

Domestic: Biden, Musk, the Clintons, Kamala, Pelosi, et al.

Foreign: Macron, SatanYahu, King Charles, et al.

*Newsweek*, both in military uniforms and under

civilian cover, in real life and online, sometimes hiding in private businesses and consultancies, some of them household name companies.

Analysis: they are doing their psyops everywhere and anywhere.

*Newsweek*, the unprecedented shift has placed an ever greater number of soldiers, civilians and contractors working under false identities.

Analysis: unprecedented means that Blackpill naysayers cannot just simply dismiss this as normal. The secret army coincides with and relates directly to Commander Trump.

*Newsweek*, thousands of spies who carry out their day-to-day work in various made-up personas.

Analysis: thousands of made-up personas, no comment needed.

Commander Trump's generals and admirals set the plan into motion. On his way out in 2021, Commander Trump placed the country under a military occupancy, in which the 60,000-man secret army could legally be deployed in all manner of domestic psyops. From the campaign store of Trump 2024-45 through '47 meaning, he never left office, get it?

*Newsweek:* *Newsweek's* exclusive report on this secret world is the result of a two-year investigation involving dozens of Freedom of Information Act requests, a little known sector of the American military, but also a completely unregulated practice. No one knows the program's total size.

Analysis: completely unregulated. No one knows the program's total size. So it might be even more than 60,000 secret agents – 75,000, 100,000 – plus whatever assets that Allied military forces around the world have at their disposal.

*Newsweek:* Congress has never held a hearing on the subject and yet the military developing this gigantic clandestine force challenges US laws, the Geneva Conventions, the Code of Military Conduct, and basic accountability.

Analysis: in other words, the boys with the guns can do whatever the heck they want in order to rid us of the globalist Marxist cancer.

*Newsweek:* hundreds work in and for the NSA.

Analysis: the NSA just like Q said.

*Newsweek:* But over the past five years, every

military intelligence and special operations unit has developed some kind of web operations cell that both collects intelligence and tends to the operational security of its very activities.

*Analysis:* over the past five years, 2016-2021, that was the official presidency of Trump – who, by the way, during that exact same period – was signing emergency executive orders, which Biden has extended, and building up Guantanamo Bay prison, which Biden has not attempted to close.

*Newsweek:* a small rural North Carolina company that works with the military, can transform any object, including a person, as they do in Hollywood, a silicone face appliance sculpted to perfectly alter someone's looks. They can age, change gender, and increase body mass. Special operations undercover operatives wear signature reduction masks to match false identification.

*Analysis:* no comment needed.

*Newsweek:* special operations forces constitute over half the entire signature reduction force.

*Analysis:* special ops, quoting from one of Q's very early posts, November 1st, 2017. On Potus's order, a state of temporary military control will be actioned and special ops carried out. To what end this secret (60,000 at least)

man-foreign and domestic army? Isn't it obvious? Trust the plan and thanks.

*Newsweek*: Silicone Mask mould.

Analysis: On orders from Commander Trump, the real Biden, the real SatanYahoo, the real Obama, the real Fauci, and so many more have been executed and replaced by members of this secret army wearing state-of-the-art masks. From time to time, the white hats will purposefully reveal this to those of us with a third eye. The NY Post and a handful of other publications picked up on the Newsweek exclusive, but never gave the story legs.

Q called it all in advance while specifically telling us that the puzzle could not be solved until future news unlocks. Righteous half-Jew, Ezra Cohen-Watnick, reporting to Trump, and Chris Miller is heading the special operations.

---

## **Section 6**

### **Conclusion, what's to come?**

As of the publication of this booklet, August 2024, the long-awaited storm has already passed, albeit unknown to the general public. The bad guys have long since been rounded up

and incarcerated in mass numbers at Gitmo Bay Prison and other locations worldwide. Many have been executed and replaced with imposters and/or artificial intelligence images.

This would include big name players such as the real Biden, the real Bushes, the real Clintons, the real Obamas, the real Kamala, and many other politicians, celebrities, business moguls and journalists.

Foreign leaders such as Macron of France, Merkel of Germany and Netanyahu of Israel have also been similarly dealt with. With these players and their dangerous masters, Rothschild, Soros et al., now having been removed from the chessboard, the end game involves slowly introducing a badly brainwashed public to the past reality of the evil deeds secretly committed by the deep state cabal players. This will be achieved by essentially reenacting past crimes as if live, in essence "framing" the imaginary criminals for imaginary crimes such as the staged assassination attempt on Trump in the present tense so that the real crimes of the past can be introduced.

When the shit hits the fan, we expect the emergency broadcast system to be activated as we also witness countless already dead criminals arrested as if live and later tried on television

and executed. Beyond the great retribution lies a new world of prosperity and enlightenment, free from these monsters who have tormented humanity for so long but are with us no more.

"Trust the plan," read *Crash Course NWO*, available at Amazon and Kindle, also bookmark [realnewsandhistory.com](http://realnewsandhistory.com)
